Uncomplicated Goodness

Here at Muni Clubhouse we have over **10** years of experience in making your special event everything you want it to be. From a business luncheon to bridal and baby showers to anniversary and birthday parties. We also are here for funeral receptions, fundraisers, graduation, engagement or stag parties. Our promise is to make this as simple as possible for you, we believe in “uncomplicated goodness”. Please use the options as a guide and know that we can do almost anything. We can customize the options for your special event, after all its your event, not ours, we are just here to help.

We have a gorgeous patio where all of our events are given first priority of use. If the weather is nice you will enjoy your event on this covered patio with seating up to **100** guests. It is lit in the evening and features fire pits that can be added to your package for use. In the unfortunate case that Mother Nature is having an off day we have a beautiful interior space that accommodates **120** guests. We provide tables for desserts and gifts. All events are staffed with a fully trained attentive staff that will happily meet the needs of all your guests. We can assist you with your decorations and we do all the clean up. After all we want you to be a guest of your event as well, we are happy to do the work for you.
